

APPLICATION FOR COMMERCIAL ACCOUNT

SERVICE INFORMATION

Service under **G3** and **G4** rate class shall be for not less than 12 consecutive months, except for Construction Heat. If services are disconnected within the first 12 months of consecutive service, the remaining month's Customer Charges will be due with the final bill. Following the 12 consecutive months, service is to be continuous and may not be seasonally disconnected, but service may be discontinued at the request of the customer when the premises are vacated or the service is no longer required on a permanent basis. The Customer Charge on this service shall not be subject to cancellation for seasonal periods.
